ARTReach Programs

ART Piece: Created by CelebrateMe!

Wrapping up this week is our “CELEBRATE ME” youth group. Over the last 4 weeks we have had group sessions with Fredericton Mental Health where they have been practicing art as creative expression.

Next Up!

We will be starting a six week program with youth from Chrysalis House at the end of April. This is an opportunity for the youth to explore a variety of creative outlets which will be facilitated by Angela Black of *Open Your Art*.
